

AGROTECNOLOGIE

NOTICE PURSUANT TO D.Lgs. (Legislative Decree) 196/03 ISSUED TO CUSTOMERS AND SUPPLIERS

The personal, registry office and tax office data acquired directly and/or via third parties by the company,

ILSA S.p.A.

Via Quinta Strada, 28

36071 Arzignano VI (Italy)

P. IVA (VAT CODE) 00871990230,

responsible for processing, shall process the said data, whether in hard copy format or in electronic or telematic format, for contractual and regulatory purposes, for the purposes of ensuring efficacious management of commercial relations, and for the purposes of safeguarding of credit and optimal management of our rights pertaining to individual commercial relationships.

Electronic mail and traditional postal addresses may be used by the company for transmission of advertising material relative to services similar in nature to the services which are the object of current commercial relationships with the exception of those cases in which addressees oppose the said procedures.

Where provision of information is not mandatory, failure to provide such information shall be assessed case by case by the company responsible for processing, which shall base consequent decision-making procedures in the light of the importance of the data requested for management of the commercial relationship.

The data may be transmitted to other parties, within Italy and/or abroad, solely for the purposes specified above, for subsequent processing by the said other parties, namely:

- our network of agents
- factoring companies
- credit institutions
- credit recovery companies
- credit insurance companies
- credit status information companies
- professionals and consultants
- law firms
- companies operating in the transport sector
- chambers of commerce
- law courts
- the armed or police forces.

For the said purposes, the data may come into the hands of the following classes of officers and/or managers:

- commercial sector personnel
- administrative sector personnel
- technical sector personnel
- research and development sector personnel.

AGROTECNOLOGIE

The person to whom the data refers may fully and without exclusion exercise his/her rights as set forth in art. 7 of d.lgs.vo (legislative decree) no. 196/2003 (including rights relative to access, rectification, updating and deletion of data, and relative to withholding permission to process the said data).
